PROFESSIONAL EXPERIENCE

Global Vice President, Customer Marketing

Salesforce • Indianapolis, IN

February 2022 - Present

- Lead a center of excellence organization of 50+ Global Customer Marketers across 18 Products, 8 Core Industries and 20+ Countries.
- Partnered annually with over +850 brands including Williams Sonoma, Spotify, AAA, General Mills, Formula 1, Gucci delivering over 2,000 co-marketing activities.
- Developed and scaled programs to turn customers into advocates, including Advocacy, Customer Creative, Digital Storytelling, and Customer References, leading to increased customer engagement and business growth.
- Delivered authentic storytelling with our Customer Reference program, achieving measurable results: 3K+ Opportunities, \$2.1B in open pipe, \$880M closed ACV in the last fiscal year.
- Built and fostered collaborative relationships with stakeholders across Executive Leadership, Comms, Sales, Enablement, Distribution, Analyst & Investor Relations, Product and Marketing to understand priorities and deliver customer stories that support business objectives.
- Acted as a key thought partner for cross-functional teams, contributing to the development of go-to-market strategies that drive customer storytelling.
- Inspired and mentored a growing team of customer marketing professionals, focusing on building rapport, career development, and long-term success.

Senior Director, Customer Marketing

Salesforce • Indianapolis, IN

August 2020 - February 2022

- Established a Storytelling Center of Excellence to drive company-wide best practices supporting industry and product priorities for Product and Distribution.
- Reimagined the customer story strategy, aligning product use cases with the most impactful customer stories while creating cohesive customer experiences.
- Executed a strategic, multi-channel approach to storytelling, celebrating customer success stories across integrated campaigns, with assets like case studies, customer films, speaking engagements, digital, social and signage.
- Expanded leadership of Customer Marketing encompassing the entire Salesforce product portfolio and industry coverage, setting strategy, and guiding teams to achieve aligned business objectives.
- Supported the seamless integration of joint storytelling from acquisitions such as MuleSoft, Tableau and Slack.

Director, Customer Marketing

Salesforce • Indianapolis, IN

April 2017 - August 2020

- Led Customer Marketing for Service Cloud, Marketing Cloud, and Platform, creating customer stories aligned with Salesforce product narratives supporting strategic marketing and sales enablement efforts.
- Develop strategic customer success engagements across the Salesforce portfolio, highlighting customer Trailblazers and their innovative use of Salesforce technology.

Senior Manager, Digital Communications

August 2014 - April 2017

Salesforce Marketing Cloud • Indianapolis, IN

- Led a team of digital marketers creating cross-channel journeys leveraging the Salesforce Marketing Cloud to engage customers, prospects, partners, employees, and influencers.
- Designed and executed event journeys (email, mobile, social, web) for major events like SXSW, Cannes, and Dreamforce, showcasing the value of Marketing Cloud and Salesforce platforms.
- Implemented scalable digital marketing solutions driving growth across email, Imobile, and social channels, including the launch of a global preference center that simplifies subscriber data management, and provides a best-in-class preference management experience.

Global Social Media Manager

December 2012 - August 2014

ExactTarget • Indianapolis, IN

- Developed and executed a global social media strategy, serving as the public face of ExactTarget's social media and empowering global teams to leverage social platforms effectively.

Analyst Relations and Social Media Manager

March 2012 - December 2012

ExactTarget • Indianapolis, IN

- Led analyst relationships with Forrester, Gartner, Altimeter Group, and industry research firms. Grew ExactTarget's tier 1 social audience by 88% YOY, expanding onto new platforms like Google+, Pinterest, and Instagram.

Product Marketing Manager — Social

March 2010 - March 2012

ExactTarget • Indianapolis, IN

- Evangelized ExactTarget's social product and services. Original member of the Social Media Lab in San Francisco developing market strategies, product messaging & positioning and go-to-market proposals.

Interactive Marketing Specialist

June 2008 - March 2010

ExactTarget • Indianapolis, IN

- Managed web-based marketing efforts, including microsites, landing pages, pay per click (PPC) campaigns, search engine optimization (SEO), and social media.

Sales and Marketing Assistant

July 2005 - June 2008

GlasCraft, Inc. • Indianapolis, IN

- Salesforce.com administrator for GlasCraft's CRM system. Overhauled the process of leads to opportunities for sales optimization. Integrated ExactTarget and led the email program, creatively designing and sending new email campaigns.
- Coordinated a Distributor Conference, a three-day meeting of 125 of GlasCraft's Distributors from all over the world.

Internet Marketing Associate

September 2004 - May 2005

e-Practical Solutions • Indianapolis, IN

- Project-managed digital campaigns, including email marketing and intern management, for various agency clients.
